# SUNDAY AT

## THE BUSES ARRIVE TO CELEBRATE THE OPENING CEREMONIES FOR THE 2024 CAMP TLC OLYMPICS!

The moment we have all been waiting for – the buses arrived at Camp John Marc! The campers got off the bus with smiles as they reconnected with friends and began making new friendships.

Once they were settled in their cabins, campers chose their projects so we are ready to get the best week of our lives started first thing Monday morning.

We had a picnic on the porch with hot dogs, hamburgers and ice cream sandwiches. After dinner, everyone at Camp TLC walked and rolled their way to Morning Star Chapel for jokes, songs...and the lighting of the 2024 Camp TLC Olympic torch! Our fearless leader, Julie, was the first torch bearer.

Everyone made their way back to the cabins to get ready for bed. Our dogs, Brie and Falco, made their rounds tucking the campers into bed and wishing them sweet dreams as they get ready to have the best week of their lives filled with new experiences, laughter, and FUN!
