MONDAY AT

THE FIRST DAY OF CAMP IS OFF TO A GREAT START WITH CAMP JOHN MARC OLYMPIC GAMES AT THEME NIGHT!

After cabin pictures and breakfast Camp TLC was off to the races! The campers enjoyed a variety of activities from ropes to horses to arts and crafts to swimming and everything in between.

The campers participated in Word of the Day where friends were recognized for kindness, being brave, and encouraging other campers. Then it was time for projects! On Sunday, campers selected a project they wanted to participate in each day this week. Some of the projects include fishing, crochet, photography, and PAW-some to name a few.

The night ended with CJM Olympics theme night. The ceremonial lighting of the Olympic cauldron kicked off the games! Campers participated in a variety of sports like fencing, ribbon dancing, and basketball. Our campers even set a record score of 800 in pickle ball!

After closing ceremonies, it was time for a good nights rest before another day filled with FUN!!!
